

ATTENTION CHAUTAUQUA COUNTY RESIDENTS and CHAUTAUQUA LAKE USERS!

Are you aware?

- That **370 acres of Chautauqua Lake are permitted to be treated with the herbicide, ProcellaCOR EC between June 13 and 22?**
- That once treated, **locations are not marked with buoys in the lake?**
- That you **should not use treated water for watering or irrigating plants?**
- That you **should not use treated plants as fertilizer or compost in your gardens?**
- That the targeted plant, Eurasian watermilfoil, **secretes a chemical that inhibits harmful algal blooms?**
- That ProcellaCOR EC **can kill valuable, native water plants?**
- That the use of the same herbicide, ProcellaCOR EC, **is under judicial review at Lake George?**

There is a lot more you should be aware of!
