

Working Together to Protect the Water

Organizations that collaborate to protect our region's waterways:

- Chautauqua-Conewango Consortium, A Waterkeeper Alliance Affiliate
- Conewango Creek Watershed Association (CCWA)
- Chautauqua Watershed Conservancy (CWC)
- Chautauqua Lake Association (CLA)

How do we collaborate?

- Public support of each other's missions and activities
- Shared planning of events
- Regular communication
- Production of science-based educational materials

Support the organizations working together for healthy ecosystems throughout our watershed.

Go to www.cccwaters.org for more information.

This series of ads is supported in part by The Chautauqua Belle.
